COURSE OUTLINE

The '(SOCIAL) ENTREPRENEURIAL LEADERSHIP' program will enable participants to gain an ADVANCED DIPLOMA OF MANAGEMENT (BSB60407) which is a nationally recognised qualification.

This program is designed to provide participants with foundational competencies of innovation and creativity required for entrepreneurial leadership. Drawing on participants existing experience and knowledge, this program aims to give participants management skills and competencies required to successfully lead and manage complex and diverse organisations and people, ecologically and sustainably, in a continuously changing environment.

AREAS OF LEARNING

This course has been divided into 8 learning modules:

- Innovation, Creativity & Change
- Leadership & Strategy
- Sustainability & Diversity

MODE OF DELIVERY

The main delivery mode of this program is as a 'blended' flexible distance-learning mode of training which includes, (but is not limited to) online learning; teleconferencing; videoconferencing; webinars, research and project work; with some self-directed learning; and face-to-face training.

SOCIAL INNOVATION PROJECT

The main outcome of this program will be for participants to apply all course learnings to research, develop and implement an (organisational and/or community based) innovative and sustainable 'project'. The aim of which is to make a positive 'economic, environmental and social' impact.

ASSESSMENT DETAILS

Series of assessment tasks and project based performance.

PARTICIPANTS

Our programs are for individuals, who have a strong interest in entrepreneurial leadership, innovation and creativity; who care deeply about ecology, sustainability and saving the planet; about relationships, peace, social justice; about self actualisation and self-expression.

Our participants are both inwardly-directed and yet socially concerned; they're activists, volunteers and/or contributors to good causes. They're most likely interested in the consciousness movement, in spirituality, psychology and alternative health.

PREREQUISITE

At a minimum, participants need to have completed a Diploma of Management or equivalent and/or (5 - 10 years) relevant experience in a management or leadership role.

RECOGNITION OF PRIOR LEARNING (RPL)

Recognition of Prior Learning (RPL) is available for an Advanced Diploma of Management. Details and process of evidence collection will be given at the course information sessions.
