Exhibitor Terms & Conditions 2009

The Sustainable Living Foundation Inc (SLF) is a not for profit body that is dedicated to promoting sustainability in our community. The SLF is conducting a Sustainable Living Festival on Friday 20 to Sunday 22 February 2009 (the Festival), to be held at Federation Square, Melbourne. This document sets out the legally binding terms and conditions on which SLF provides access to each Exhibitor to participate in the Festival.

BECOMING AN EXHIBITOR

1. SLF may accept or reject an application to exhibit at the Festival at its discretion. In return for the Exhibitor paying the total exhibition fee levied by SLF (Fee).

a. SLF will allocate one or more sites (Site) to the Exhibitor. SLF has complete discretion in the allocation and placement of Sites.

b. SLF does not warrant that the Exhibitor has the right to exclusively exhibit or sell any particular goods or services at the Festival.

2. The Exhibitor must pay the Fee by 20th December 2008. If not, SLF may immediately and without giving prior notice, cancel the Exhibitor's participation in the Festival and re-allocate the Site.

3. If the Exhibitor gives the SLF Festival Exhibitor Coordinator written notice that it wishes to cancel on or before 12 January 2009, SLF shall refund 50% of the Fee and retain the balance. Where SLF receives notice of cancellation after 12 January 2009 SLF shall retain the entire Fee. SLF may in its discretion give a partial refund where SLF deems it appropriate in the circumstances.

4. Each Exhibitor must by 20 December 2008 give SLF written details of,

a. any products or services it proposes to display at the Festival; and
 b. any critical issues that need to be considered by the Festival team, such as but not limited to:

i. Access to direct sun for solar panels,

ii. Height restrictions on equipment,

iii. Access to power / water / sewerage,

iv. Any dangerous goods or chemicals and their DG ratings,

v. Proposed stand layout and content.

5. The Exhibitor agrees to abide by the details listed in SLF's Waste Wise agreement.

INFORMATION PROVIDED BY THE EXHIBITOR

5. The Exhibitor represents and warrants that the information it gives to SLF about the Exhibitor or its products or services is true and correct and that the eco-id assessment has been completed honestly and fairly. The Exhibitor acknowledges that SLF is relying on this representation and warranty to decide whether to accept the Exhibitor's application.

6. If requested by SLF, the Exhibitor must verify, within a reasonable time and to SLF's satisfaction, the information provided on the eco-id form or SLF may terminate this contract.

7. SLF will keep confidential the answers that the Exhibitor gives to SLF on particular items in its eco-id assessment. That is, SLF will only use a 'high level' total of performance in each category, and will not disclose answers to particular questions in each category without the Exhibitor's prior approval. SLF will not use the Exhibitor's eco-id assessment for purposes other than the Festival (including its website and program) without the Exhibitor's prior approval.

USE OF THE SITE

8. The Exhibitor shall only have a non-transferable, revocable license to occupy the Site during the period of the Festival, subject to all of these terms. Except with the prior written consent of the SLF, the Exhibitor must not assign or sub-let or part with possession of the whole or any part of its Site or purport to do so.

9. SLF will ensure the Exhibitor has access to the Festival venue to set up and erect their displays at times designated by SLF.

10. The Exhibitor must complete setting up all displays and have the Site ready for public viewing by 8.00am on Friday 20 February 2009, and 9.00am on Saturday

21 & Sunday 22 February 2009. If the Exhibitor fails to occupy the Site by these times, SLF may occupy or cause the Site to be occupied in such a manner as SLF considers appropriate and without releasing the Exhibitor from any liability.

11. SLF and Federation Square management will inspect each Site prior to the opening of the Festival to ensure all requirements have been met and that each exhibit is in a safe and habitable condition. If an exhibit is deemed to have not met the requirements, SLF reserves the right to close the exhibit and request the Exhibitor to rectify the problems as soon as possible and practical. The Exhibitor may proceed to rectify the concerns of SLF, but is subject to pedestrian and emergency services access. SLF will direct the Exhibitor when they can safely access their exhibit. The exhibit may not reopen until such time as SLF is satisfied that all concerns have been rectified.

12. The Exhibitor must not leave their site unsupervised prior to 5.30pm on Friday 20 and Sunday 22 February 2009 and 6.30pm on Saturday 21 February 2009.

13. The Exhibitor will ensure that the displayed products are contained within the footprint of the marquee or allocated site area. Products placed outside of this area will need to be relocated by the Exhibitor at the direction of the SLF Exhibition Coordinator to ensure that walkways are not restricted for pedestrians and emergency vehicles.

14. Exhibitors requiring the use of space outside of the marquee area must have specific dimensions approved by the SLF Exhibition Coordinator prior to 12 January 2009. **There will be no space available adjacent to the marquee for vehicles or trailers to be parked.**

15. The Exhibitor must keep the Site in a clean and safe condition during the Festival and at the end of each day of the Festival the Exhibitor must clean its Site and surrounding area to the satisfaction of the SLF Exhibitor Coordinator.

16. SLF will arrange for a security service to be provided at the venue from 6.00

pm right to regulate or prohibit any Exhibitor activities that SLF considers may cause excessive noise levels or annoyance to other sites or the public or detract from the amenity or atmosphere of the Festival.

18. SLF may enter any Site or area of the Festival and remove any article, sign, picture or printed matter, which the SLF Site Manager considers is not eligible or appropriate for display or may cause offence or is not within the spirit of the Festival.

19. The Exhibitor shall not conduct or permit to be conducted on the Site any competition or gambling activity without the written authority of the SLF.

20. On Sunday 22 February 2009 the Exhibitor must completely pack up the Site and remove any displays, plant or equipment or other material from the Site and the surrounding area. However, the Exhibitor must not pack up the Site until after 5.00 pm and vehicles will not be permitted to enter or leave the venue until 6.00 pm. Vehicle movement will be strictly scheduled for the Load In & Load Out. Any vehicle trying to enter the site at any time out of turn will be placed at the end of the schedule with no exceptions.

21. If any displays, plant or equipment or other material are not removed from the Site before Monday, 23 February 2009 the Exhibitor will pay SLF a storage charge of \$500 per item per week for so long as SLF stores the item. If the Exhibitor has not collected any item by 31 March 2009 the Exhibitor will be deemed to have abandoned the item and the Exhibitor agrees that title in the item passes to the SLF and the SLF may deal with the item as it wishes, including selling it and retaining all the proceeds of sale.

a. Accepts all responsibility for and shall hold the SLF fully indemnified against, any loss, damage, claim or cost (including legal costs on a full indemnity basis) caused by or in any way related to any act or omission of the Exhibitor in connection with the Exhibitor's participation in the Festival, including damage or injury to any person or property caused by any activity, machine, implement or apparatus;

Undertakes to conform with the requirements of any law regulating the Exhibitor's activities in connection with the Festival (including any Act, regulation, by-law or ordinance made by any Government, semi-Government or local Government Authority) such as laws relating to the erection of structures, displays, demonstrations and trade and commerce.

25. In no event shall SLF be liable to the Exhibitor for any special, consequential or indirect loss or damage or loss of anticipated revenue or lost profits, regardless of the form of action (including negligence).

CANCELLATION AND TERMINATION BY SLF

26. If SLF cancels or postpones the Festival, SLF may terminate this contract by giving the Exhibitor written notice. If SLF cancels the Festival, SLF shall refund fees paid to SLF within one month of the decision to cancel the Festival. However SLF shall not be liable to the Exhibitor for any compensation whether on the grounds of loss of profits or otherwise in respect of such cancellation or postponement.

27. If SLF considers that the Exhibitor is in breach of any of these terms (including where the Exhibitor has provided misleading information in its application form, or does not occupy the Site during the full period of the Festival) SLF may terminate this contract by giving the Exhibitor written or oral notice, and without limiting the rights of SLF or the Exhibitor's liability, SLF may re-allocate the Site and retain any money paid by the Exhibitor in relation to the Festival.
